Other					
Is there any other aspect of your background or present circumstances not addressed above that might be perceived as affecting your objectivity or independence? I attend board meetings of Dignity in Dying and Compassion in Dying, but the links with GIN should be very limited.					
To be filled in by Reviewer					
Judgment (no conflict or low relevance/seriousness or high relevance/seriousness):					
Comments:					
Action required:					
Exclude from any discussions and decision-making relating to issues where there is a direct financial interest, such as a GIN tender where there organisation is a potential bidder.					
Exclude from any decision making relating to issues where there is an indirect financial, or non-financial, interest, such as GIN deciding to promote a particular guideline or tool including software/applications they are involved in.					
Not to use their GIN role to specifically promote any products where they have a direct or indirect financial interest.					
Exclude from any decision making relating to issues where there is an indirect financial, or non-financial, interest, such as G-I-N deciding to partner, work with or collaborate with an institution, association or NGO they are associated with.					

¹ Does not apply to managed funds
